

PATIENT GUIDELINES

BELOW ARE THE GUIDELINES THAT PATIENTS MUST FOLLOW TO KEEP EVERYONE SAFE

- Do not bring any food or beverages to your appointment.
- Face masks are highly recommended, but optional. We will have face masks available for patients that prefer to wear a mask during their appointment.
- Upon entry into the office, hand sanitizer will be available for patients that choose to sanitize their hands.
- After entry into the office, it is recommended that patients maintain a social distance of 6 feet between other patients. Please be advised that medical staff will come in close contact with you during the exam, but the staff will be wearing masks and sanitizing their hands throughout your appointment.

OFFICE GUIDELINES

BELOW ARE THE GUIDELINES THAT OFFICE STAFF ARE FOLLOWING TO KEEP EVERYONE SAFE

OFFICE SANITATION

- The office is sanitized throughout the day with Center for Disease Control (CDC) approved cleaning products.

THROUGHOUT THE OFFICE

- The number of patients allowed in the office has been significantly reduced. No more than ten (10) people (including office staff) will be allowed in the office at one time.
- All employees are required to wear face masks.
- All writing utensils will be sanitized before and after each use.

EXAM ROOM

- All equipment will be wiped down and sanitized before and after each patient.

OPTICAL AREA

- Frames will be sanitized before and after being worn during the selection process.
